ABSTRACT

This publication presents data on enrollment at South Dakota's public and private colleges and universities at the close of the second week of the 1994 Fall Term. The 90 tables and two graphs present data by headcount and full-time equivalent enrollment. The first 32 tables present data on state supported public university enrollment and private institution enrollment tables covering topics like special or terminal students, graduate students, resident versus nonresident comparisons, nonresident student statistics, distribution by undergraduate and graduate categories, degree-credits, new registrants, student age and ethnic origin, and geographic origin. The next 29 tables present data on self-supported public university enrollment covering similar topics. The last 29 tables report unduplicated total public university enrollment on similar topics. Includes a glossary of terms, historical notes, and list of reporting institutions. (JB)

Foreword

This report details education enrollment in South Dakota college and universities as of the close of the second week of the 1994 Fall Term. The tables present data by headcount and full-time equivalent enrollment.

Historical Notes

1) National College began reporting enrollments in Fall 1973.

2) Prior to Fall 1980, 16 undergraduate credit hours per semester equaled one FTE.

3) Prior to Fall 1982, 9 credit hours at the Doctor's level constituted one FTE.

4) The University of South Dakota at Springfield closed at the end of the 1984 Spring Semester.

5) Prior to Fall 1984, a standardized definition for Residency Status and Geographics Origin was not in use. The NCES definitions were adopted in Fall 1984.

6) Oglala Lakota and Sinte Gleska began reporting enrollments in Fall 1984.

7) Yankton College closed at the end of the 1984 Fall semester.

8) Kilian Community College began reporting enrollments in Fall 1985.

9) Freeman Junior College closed at the end of the 1986 Spring semester.

10) Prior to Fall 1987, enrollments were reported as of the close of the third week of the semester.

11) Prior to Fall 1987, Graduate Business Program enrollments at Ellsworth AFB were included with USD's enrollment.

12) Prior to Fall 1988, SDSMT's enrollments included some non-state courses offered on-campus.

13) Prior to Fall 1988, Kilian Community College considered 12 quarter credit hours per quarter as a full-time student. Kilian changed from a three to a four quarter system and now considers 16 quarter credit hours as one FTE.

14) Sisseton Wahpeton and Baptist Seminary began reporting enrollments in Fall 1990.

15) Oglala Lakota College did not report enrollments from Spring 1990 to Spring 1994.

Credit Hour - The unit by which an institution measures its course work and which can be applied towards a degree. For public institutions one credit hour equals one contact hour per week in a lecutre situation for a normal 15-week semester.

First Professional Students - Students enrolled in a professional school or program which requires at least two or more academic years of college work for entrance and a total of at least six years for a degree. Students in programs requiring only four or five years beyond high school should be reported as undergraduates.

Full-Time Equivalent Student * - The total credit hours of all students registered idvided by one of the below denominators to determine full-time equivalent enrollment at a given level.**

Geographic Origin - An indication of the place where the student resided, as determined by the student's legal address, at the time of application for admission to the institution. The determination of a student's geographic origin may be made at the time fo the student's application for underdgraduate status, or for a first professional program, or for graduate student status.

Graduate Students - Students who hold a bachelor's or first profesional degree, or equivalent, and are candidates for a Master's or higher degree.

Residency Status - A determination as to whether a person is legally a resident or nonresident of a specific geographic area. (NECS) in South Dakota a resident student must be a legal domiciliary of the state for at least 12 months prior to registration.

Self Support Enrollment - The headcount and/or FTE enrollment of students taking at least one course not supported by state funds. Census date is the last day of regular classes on the Academic Calendar.

State Support Enrollment - The headcount and/or FTE enrollment of students taking at least one course supported by state funds. Census date is the 10th day of classes on the Academic Calendar.

Student - All students taking resident credit, irrespective of the time of day or work load of the cstudent. Not included are: students in non-credit adult education courses; students taking courses at home by mail, radio or television; students enrolled only for "short courses"; students auditing a course; students studying abroad; and students in a bracnch campus, extension or correspondence course.

Special/Unclassified Students - Students taking undergraduate or post baccalaureate level credit courses regardless of intention concerning a degree, diploma or certificate although taking courses in regular classes with other students; this category also includes students who cannot be classified by academic level.

Undergraduate Students - Students who have not completed a full four year program or its equivalent and those in a five year bachelor's degree program. The year level designation of undergraduate students will be determined by institutional policy.

Unduplicated Total Enrollment - The total enrollment, comprised of state support and self support enrollment. NOTE: Some students enroll in both state and self support courses.

* Special Note for Schools on the 4-1-4 Plan - Institutions under the 4-1-4 plan will have converted "unit" or "course" credits to "semester hour" credits for the purposes of this report. A "unit" or "course" quite often is determine to equal 3.6 "semester hours." The figures that are normally used in transferring credit between institutions apply. Some institutions have confirmed registrations for the one-month interim period, obtained during the Fall registration period. Other institutions register only for the four-month Fall term. As an example, those institutions registering students for the four-month term plus the one-month interim term might have the equivalent of 14.4 "unit" or"credit hours" to equal 15 "semester hours." The basis the institutions provide for computing FTE's as reflecting the most correct portrayal of enrollment status is used. Oglala Lakota College and Sinte Gleska University consider 12 credit hours per semester as a full-time student.

** At the Board of Regents institutions, full-time equivalency denotes 15 credit hours/semester for undergraduates, 12 credit hours/semester for graduate students (except medicine and law).
